GENERAL INFORMATION

This is a NASA Advisory issued by the Goddard Space Flight Center (GSFC) in accordance with the requirements of NASA Procedural Requirements 8735.1B. For information concerning processing and actions required to be conducted in conjunction with this information, refer to your contract, or to NASA Procedural Requirements 8735.1B. This information has been compiled and presented as accurately, completely, and objectively as possible consistent with the primary objective of alerting potentially affected projects as early as possible. This information may be altered, revised, or rescinded by subsequent developments or additional tests; and these changes could be communicated by other NASA documents. Neither NASA, the United States Government, nor any person acting on its behalf assumes any liability resulting from any distribution or use of this information.

10. Distribution: While the primary distribution for this document is internal to NASA personnel and NASA contractor personnel, the information contained in this document is factual, and its release to, and use by, other entities is not restricted.

11. Problem Description and Details:

12. Actions Recommended:

13. Technical Point of Contact	Voice Phone:
Name/Title:	
	FAX Phone:
Location/Building:	
	Email Address:
Mailing Address:	
	Date Prepared:

14. GSFC NASA Advisory Coordinator	Voice Phone:
Name/Title:	
	FAX Phone:
Location/Building:
